

## Spa Facials

### ANTI-AGING FACIALS

Drench your skin in this ultra-rich moisturizing facial. This facial instantly plumps fine lines and helps stimulate growth factors. A collagen or hyaluronic acid based serum is applied with galvanic current to move the ingredients to the deepest layers of your skin. Your skin will be sealed with a highly concentrated peptide serum that provides extraordinary antioxidant protection, which helps promote cell renewal and improves the texture of skin. Great for sun damaged skin and is an ideal complement to our FotoFacialRF skin rejuvenation procedure. Maturing skin is no match for this age defense facial!

\$125

### MEDICAL ACNE FACIAL

Experience a deep, clarifying, and detoxifying facial. Our customized products cleanse, exfoliate, restore and correct the problem with oily or acne prone skin. Ingredients such as tea tree oil and salicylic acid with gentle botanicals help control breakouts and unclog pores. Extractions are performed if needed and high frequency energy is applied to kill surface bacteria. A purifying gel mask is applied to draw out impurities and help to diminish imperfections. Reveal a smoother complexion after several treatments of this amazing facial. Add-on a peel for an even more beneficial acne fighting treatment!

\$115

### CALMING FACIAL WITH MICRODERM

Relax and unwind after a microdermabrasion. This facial will calm and soothe the skin after the microderm deeply exfoliates dull lifeless skin. Calming ingredients from the customized cleanser, mask, and antioxidant serums will alleviate any redness and irritation that can be left behind following a microderm. This treatment is great for all skin types including dry, oily and combination! Walk away with radiant, smooth and soft skin! A wonderful facial you can do once a month to rejuvenate your skin!

\$150

### BACK TREATMENT

Don't let your back be ignored! This indulgence begins with a deep cleansing, and then exfoliation, along with extractions (if needed) followed by a peaceful massage. All are tied together with a customized mask and moisturizer. Customized to fit whatever your skin needs to feel and look wonderful during any season.

\$100 Basic | \$125 Acne

## Cosmetic Procedures

Meet with our skilled physicians to discuss which of our minimally invasive procedures is right for you.

### SKIN REJUVENATION

FotoFacial RF and FotoBody RF use a combination of intense pulsed light and radio frequency energy to treat cosmetic concerns such as Rosacea, flushing, redness, broken capillaries, sun spots, age spots, hyperpigmentation, melasma, chronic sun damage and photo aging. Secondary benefits are the improvement of fine to moderate wrinkles, acne scarring, pore size, skin texture irregularities and smoothness.

#### FotoFacialRF

Interval: Every 3-4 weeks until desired effect is reached.

Per Treatment Pricing: \$400 Full Face | \$300 Neck Alone | \$200 Add-on Neck to Face | \$300 Add-on Décolleté to face | \$250 Small area spot treatment (includes face only. Treatment for vascular lesions, brown spots, redness, sun damage and hyperpigmentation.)

#### FotoBodyRF

\$400 Full Décolleté | \$300 Hands | \$500 Forearms | \$600 Forearms & Hands

### KYBELLA (for submental fullness)

When injected into the area below the chin, Kybella improves the appearance of moderate to severe fat, also referred to as the "double chin." Usually 4 treatments are needed. Interval: Every 6 weeks.

\$1999

### LASER HAIR REMOVAL

The use of a revolutionary laser that emits a precise beam of light to remove unwanted hair without harming the skin. The most common laser hair removal occurs on the upper lip, chin, legs and bikini line.
